

MRS. PRANEETA CHRISTIAN

Qualification: M.Sc. Nursing (Cardio Thoracic Nursing); B.Sc. Nursing

Designation: Assistant Professor

Description: Mrs. Praneeta Christian is an Assistant Professor by profession with a total of 6 years of teaching experience. She is actively engaged in adopting diverse learning approaches and implementing innovative teaching–learning activities, skills training, and assessment strategies to identify both high- and low-performing students. Her academic responsibilities include addressing students’ learning difficulties, explaining nursing concepts, delivering lectures, reviewing course content, and promoting evidence-based nursing practice. In addition to her teaching experience, she has 1 year of clinical experience at Inlaks and Budhrani Hospital, Pune, Maharashtra.

She has published scholarly articles titled “A Study to Assess the Effectiveness of Guggul Application on Intravenous Infiltration Among Patients Admitted in Selected Hospitals” in the International Journal of Nursing Education and Research (Vol. 4, No. 1, January–March 2016; ISSN 2347-8640 print, 2454-2660 online), and “A Quasi-Experimental Study to Assess the Effectiveness of Hibiscus Tea on Blood Pressure Among Selected Hypertensive Patients of Anand District” in the International Journal on Clinical and Surgical Aspects of Medicine, Acta Biomedica (ISSN: 0392-4203; eISSN: 2531-6745; CiteScore Scopus 4.3, 2023; 81st centile), which is indexed in Google Scholar, Scopus, SJR, EMBASE, Elsevier BioBASE, and Bibliovigilance.

She has completed a course in Basic Holistic Health and Foot Reflexology. Additionally, she has completed the Intensive Care Course for Nurses conducted at Sadhu Vaswani Mission's Medical Complex, Pune, from 5 March 2012 to 22 June 2012.

She secured 2nd rank in the B.Sc. Nursing examination and 1st rank in the M.Sc. Nursing examination at Sadhu Vaswani College of Nursing during the Maharashtra University of Health Sciences examinations.
